DETAILED ACTION

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claim 1 is rejected under 35 U.S.C. 102(b) as being anticipated by Heinzl-Wieland et al. (see introduction), EP 494071 (top page 2), or WO 86/00077 (title and abstract).

Each of the references teach a human leucocyte elastase inhibitor. All the claim requires is that such an inhibitor be present.
